Poppins Latin

Poppins Latin

Poppins Latin is an open source
cute & fun typeface with multiple
weights and styles.

This is the only typeface used by
Pixl.

Pixl colors

Pixl colors are thought to change over time and adapt to the public. This is only the first iterations of the pixl color scheme.

Pixl UI

Pixl ui is designed to be both accessible and adaptive.

Further customisation options and ui formats will be implemented in the design system.
